

## Client Success Story: Chloe Supported Internships

Chloe was doing her Supported Internship at Toni and Guy but found that it didn't suit her.

Enable found a new placement for Chloe at Little Rascals nursery.

Her tasks include cleaning and wiping table, sweetening up, sticking the fridge with drinks and taking out food for the customers.

Chloe has support from an Enable Job Coach.

Chloe's manager is very impressed with how she is such a hard worker and always asks for new tasks to complete.

Chloe knows to ask for help if she doesn't know how to do something.

Chloe's Job Coach said she is doing really well and she fits into the team brilliantly.
