

## Client Success Story: Zach Supported Internships

**enable**  
supported employment services

Zach started his Supported Internship in September 2017.

Enable got Zach a Supported Internship at a care home.

Zach's main tasks are feeding the residents and setting up and clearing the tables.

Zach now has the opportunity to train as a Health Care Assistant if he would like.

Zach has continued Job Coach support from Enable.

Enable will help to find Zach paid work at the end of his Supported Internship.
