

Client Success Story: James Supported Internships

- James is doing his Placement at Wheatlands Barchester Care Home.
- He helps the Activities Manager, with entertaining the residents.
- This involves different planned activities each day.
- James has settled in extremely well and residents enjoy seeing him and his happy smiling face.
- During lunch time James sits and eats with the residents and keeps them company, while eating.
- James likes talking with residents, especially if they are chatty. His Manager, Claire said:
- “James has dealt with new situations well, he seems relaxed and happy”.
- James is really good at remembering the residents names.
- James has been involved in some craft activities, quizzes and board games.
- James loves helping with the sitting keep-fit and exercise to music, which are great fun.
- There are church services at Wheatlands and James helps the residents find the hymns in the books.
